

February 15th, 2021

Dear IB Schools and Diploma Programme Coordinators,

On behalf of Aspaen Iragua, we kindly invite you to attend a virtual workshop on receptive skills: “Building and sharing authentic listening material”, which will be held on February 26th.

This workshop aims to:

- approach the new component of paper 2: listening comprehension as receptive skill.
- Provide strategies to develop students’ understanding of oral texts so that they are aware of the linguistic variation and regional accents they will be exposed to.

We firmly believe that these experiences turn into favourable opportunities to discuss the new challenges of external assessment, particularly, in the course of Language B – English HL.

We also encourage participants to let us know in advance if they are interested in sharing their experiences; thus their contribution could be included in the agenda.

Target group: IB Diploma Programme English Teachers

For organizational reasons we would like to ask you kindly to confirm the participation of maximum 3 teachers per school by registering on the link below by February 22nd.
