Dr Stephen Atherton is a Senior Lecturer at the School of Education, Aberystwyth University, and a Senior Fellow of the Higher Education Academy. He holds a BA (Hons) in Geography & Education, an MA, and a PhD from Aberystwyth University, as well as a PGCTHE. His research explores themes such as gender identity in early childhood, technology and pedagogy, skills development in higher education, and adult education. Dr Atherton has also investigated the educational experiences of children in military families.
